Dear Sir:

In response to your letter of December 26th, I take pleasure in sending you, under separate cover, a copy of our Proceedings for 1923. Most of our publications are issued in this form now, and I presume this is the one to which Mr. Swasey referred. There is no charge, of course, and if I should be incorrect in thinking that this is what you wanted, please let me know.

Very truly yours,

Secretary

Dear Sirs:

Thank you very much for the gift to this library of a copy of the book, "America and Americans" by Mr. Edward Dean Adams. We are very glad to have this volume to add to our library for the especial reason of his connection with the Vespucci Medal, which was issued by our Society, as described by Mr. Adams therein.

Very sincerely yours,

Secretary
